No loyal Texas rooter would really discuss the 27-24 rouser in Little Rock after Saturday.

A Texas-Ex we were visiting that day was as excited to watch as he watched the game as just watching the televised game itself. He came out of his chair sometimes or sat back a bit and put new marks in his pipe. He finally put it down, probably to keep from biting off the stem.

Everybody from Texas was rooting for the Orange and White, except some from other SWC schools who might smirk at a Texas loss and think no one is watching.

It kind of made the onlooker, partisan or not, sick of comebacks. First, it was the second-quarter comeback by Texas to overcome the three touchdown lead, then the third-quarter, come-from-behind comeback and finally the last-minute Arkansas comeback.

We fully expected a last-second comeback four times removed in which the Texas squad ran their kickoff return 102 yards to win. It didn't happen and thousands of grown men cried.

Lions Broom Sale

Goes Door To Door

Benefits Club Work

The Cameron Lions Club is making plans for their annual "Broom and Mop" sale on Tuesday, Nov. 2.

Albert McCullen Jr., is director of this year's sale.

Lions Club members will be selling at the two polling places, the County Courthouse and Yoe High Gym. They will also make house-to-house calls from 5-9 p.m. on the same day.

Money from the annual sale is used for the Lions Club Crippled Children Summer Camp and other service projects. Articles sold in the Broom Sale are manufactured by a non-profit organization which trains and employs the blind.

Jury Finds Eaton

Guilty 2nd Time,

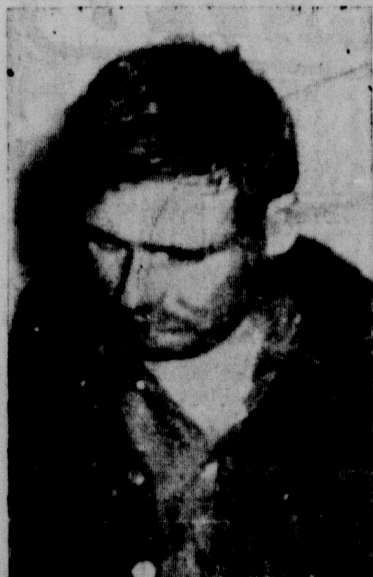

Awards Death

Gerald Eaton, 29, of Buckholts was found guilty in a second trial Oct. 12 in Sumpter County, Ala., and sentenced to die in the electric chair Jan. 25.

An all-male jury debated only minutes before returning the guilty verdict according to Milam County Sheriff Carl Black. Eaton was charged in the death of Leonard Culepper, 57, of Cuba, Ala., along with three companions, John Lokos, 29, of Racine, Wis., Cecil Coon, 26, of College City, Calif., and Harold Edwards, 22, of Oklahoma.

All four men were sentenced to die in the electric chair last March. Eaton was later awarded the new trial by the Alabama Supreme Court and Lokos and Coon's death sentences were affirmed by the court.

The four ex-carnival workers were arrested by a posse near Buckholts Dec. 16, 1963, after a five-state crime spree. Along with the murder charge, they were also charged in Texas, Oklahoma, Arizona, Louisiana and Alabama with various robbery and burglary charges.

The Cameron Hotel, Once Auditorium

AN AUDITORIUM, THEN HOTEL

Structure Built In 1899

By Frank M. Luecke
And History Consultants

The cornerstone says "The Young Men's Business League of Cameron, Incorporated June 14, 1899."

And the building above it is the Cameron Hotel, vacant these past three years at the corner of First St. and Central Ave.

Owned by Cameron businessman Alvin and Franklin Dusek, the three-story, white-plaster structure now stands in silent testimony to an era of early 20th Century culture, and weekend attraction for "drummers" after its auditorium days ended.

Just last week, a possibility for the building's future came up at a Cameron Chamber directors session, suggesting a restoration of the building for use as an auditorium-civic center in downtown Cameron.

THE 1899 BEGINNING

That is what it was when eight young Cameron businessmen laid the cornerstone that June day in 1899. The cornerstone was presented by W. T. Hefley, early Cameron businessman. Listed on the cornerstone as officers and members of that pre-Chamber era were: Jeff D. Hefley, president; Jake M. Ralston, vice president; Montie J. Moore, secretary; John H. Beckett, treasurer; and T. A. Pope, T. S. Henderson, P. O. Adams and A. P. McCord.

Whether or not feasible for auditorium use once again, the early Cameron Hotel, then strictly an auditorium, attracted hundreds of Milam Countians to hear traveling minstrel shows, bands, Shakespearean actors and various singers and entertainers. Prior to Yoe High School, graduation exercises were held there.

It was so until 1911 when the two upper floors, still there, were built into the then brick structure. It then became Auditorium Hotel.

Before that, the auditorium had a balcony that came out in the reconstruction. And the main entrance was on the east side of the building.

For a short time there was a grocery store in the first-floor wing, until recent years, occupied by the Agriculture Stabilization & Conservation office. And John B. Henderson Sr. of Cameron recalls that Robert McLane operated a grocery there, later operated by a man named Purifoy and still later a hardware store run by a Mr. Brooker.

A FRENCH CHEF

Perhaps the unique atmosphere of the early hotel's restaurant, once employing a French chef, drew the town elite's greatest support. It is said to have been a popular dining room for townspeople, who, upon occasion, held dinner dances and engaged small ensembles to play for them.

Henderson recalls that Negro waiters, wearing the classic white jackets, served the meals. One man, Jim Jones, later moved to California and eventually opened a restaurant of his own.

Traveling salesmen found the hotel a pleasant stopover on weekends, attracted by the cuisine and the then new hotel facilities. It seems Cameron was a centerpiece in the Central Texas area, served then, as now, by the Santa Fe and SA&AP (now Southern Pacific) with numerous passenger trains.

In the era of the '20's, the lower floor was occupied in part by one of Cameron's first modern barber shops, chaired by Charlie Swift,

Ross Lane, Bill Heath and Roy Griffith. Max Collins, who later moved to Waco, opened a men's clothing store in the building.

COTTLE MANAGER

A. S. Cottle managed the hotel in this era, succeeded some years later by Mrs. Agnes Lowe, last manager of the hotel when it closed Jan. 1, 1963.

Owners of the early hotel included a Mr. Doane of Bryan who operated it until Ben Strumm took over management.

Henderson believes the building was constructed of brick made in Milam County, which were sometime ago plastered over and painted white.

Whatever its promise, the old Cameron Hotel, once Auditorium Hotel, and first an auditorium, testifies to its own important role in Cameron's years of growth and quiescence.

Judge Sets Dates

For Murder Trials

At Arraignment

Judge William C. Wallace set trial dates for three men indicted for murder with malice and assault with intent to murder with malice at an arraignment Tuesday, according to Grady Allen, district clerk.

Hipolito Gonzales' trial was set for December 14; Phillip Camacho, March 14, 1966, and Theodore Gonzales, February 8, 1966.

The men are charged in the death of Simon Amaror, 48, of Burlington and assault of Pedro Degallado Gonzales. The incident allegedly occurred at the LaRumba tavern in south Cameron Aug. 22.

Camacho and Theodore Gonzales are out on \$10,000 bond and Hipolito Gonzales is in Milam County Jail in lieu of bond.

0 Absentee Voters

In Nov. 2 Election

No absentee votes have been cast for the November 2 election on ten constitutional amendments according to Wayne Weiser, county clerk.

Weiser said absentee votes could be cast at the courthouse through October 29 in the special election. He predicted a light vote in Milam County.

Homecoming Game

Buckholts Hosts Turnersville Sat.

Buckholts will host Turnersville in their annual Homecoming game Saturday, Oct. 23. Festivities will begin with a bonfire and pep rally Friday night. On Saturday activities will continue with a Homecoming supper from 5 to 7 p.m. in the school lunchroom.

Before the kickoff Saturday night, the Homecoming Sweetheart will be crowned. Sweetheart candidates are Janice James and Sandra Gresak, seniors; Judy Beckhusen and Janie Brady, sophomores.

The game between the Badgers and the Buffaloes marks the beginning of district 12B play for the two teams. The Buffaloes and the Badgers come to this game undefeated in non-district play. The Badgers are defending their

City Assures 8th St. Building Program

COUNCILMEN MEET WITH DELEGATION

An eight-block paving program on East Eighth St., in two stages, was assured a delegation of about 20 residents on the street at a City Council meeting Tuesday.

Residents along East Eighth St. were told by Mayor Bassel Wilson that a two-coat penetration pavement would be put in by the City to replace old paving torn out early this year from Washington east to Jackson after curbing is installed. And paving would be put in with resident-participation of Eighth St. west from Washington to North Fannin after curbing.

RESIDENTS INVITED

The City wrote letters to residents along the street, inviting them to meet with the Council and discuss the project. Additional letters to residents for commitments were advised by Councilman Bob Wells.

Mayor Wilson said the paving project would not be likely until after the first of the year.

On Eighth St. east of Washington to Jackson, new levels are required to accommodate the curbing program, Public Works Supt. J. B. Earle told The Herald.

Spokesmen for the group said that most residents along Eighth Street were interested in the new programs. Completion of the project would add another eight blocks of paving to city streets. A number of individuals said they were or had been ready for some time for the program.

Work began on the base of the project east from Washington to North Jackson as construction of East Seventh St. was underway. Work on East Seventh St., except for paving about a block across Jackson, is completed both in curbing and hot-mix paving.

In other Council action, the Council approved drainage improvement on Ross Avenue at Second Street and authorized contact and clean-up work on blind corners and vacant lots on city property at intersections.

Where trees and shrubs on private property blocking street right-of-way have to be cleared after the property owner has been asked to clear it and has not, the city will charge for the service, officials said.

Mayor Wilson reported that a trip to Houston is planned to continue work on the Cameron Airport expansion. Federal Aviation Agency regional officers have been moved to Houston from Fort Worth, according to City Secretary Buddy Fuller.

DEPARTMENT REPORTS

In routine department reports, Supt. Alvin Heft reported that seven water mains and one hydrant had been repaired and 400 feet of 6-inch sewerline had been installed in West Cameron. And five sewer connections had been added.

Earle reported that city-wide street patching and general cemetery cleanup was underway. And he said street department personnel are assisting the water department in sewerline construction.

He said also that work is underway at the air field. The meeting ended about 8:30 p.m.

Blood Program At Stake ...

Red Cross Drive To Begin

A crash drive for \$3,000 for the North Milam Red Cross is scheduled to begin next Tuesday with contacts in the business community, according to James D. Camp, North Milam fund drive co-chairman.

"The Red Cross blood program in North Milam County will be lost by December 1," Camp said. "If funds are not contributed for the Red Cross program in North Milam."

The drive in the business community will begin next Tuesday and end Friday, Oct. 29. Camp told The Herald. Contributions sought will be based on contributions of previous years to Red

Cross directly or through the old United Fund.

Goal for Cameron is \$2,100 and for other communities in North Milam, the area north of Little River, \$900. Albert Collins and Camp are co-chairmen of the Cameron fund drive.

IMPORTANT ADVANTAGES

Camp pointed out some important advantages in the present North Milam Red Cross blood program. A total of 432 pints of blood have been received by North Milam Countians while only 181 have been contributed through the

The bloodmobile will be in Cameron next Wednesday, Oct. 27, from noon to 6 p.m. at the Methodist Fellowship Hall.

Goal for this bloodmobile visit is 71 pints.

Contributions to the North Milam Red Cross fund drive go not only toward administration of the blood program, including bloodmobile visits, but maintaining a Red Cross office in Rockdale, where emergency leaves are expedited for military personnel from Milam County, and for a national disaster relief fund.

Camp said plans include additional drives for the emergency fund drive. A house-to-house drive in Cameron and community drives in areas outside Cameron are projected.

Of all blood collected by Red Cross nationally, 15 per cent was donated through centers and 81 per cent through bloodmobile programs.

NO MONEY — NO BLOOD

Camp pointed out that the bloodmobile program cannot operate nor can blood be made available through Cameron hospitals without funds to administer the program.

One key advantage of the Red Cross blood program is that a resident of a participating county can draw blood, when needed, anywhere in the United States by telling medical officials that his or her county participates in the Red Cross blood program.

Both Cameron hospitals distributed the greatest quantity of the 432 pints used through the North Milam program from July 1, 1964, through July 1, 1965.

Both Collins and Camp urged persons asked to work on the drive to set aside the time for this effort.

Rites Here For

Willie Lantrip

Willie Lantrip, 73, of Lake Charles, La., former resident of Milam County, died Sunday, Oct. 19, in Lake Charles. Funeral services were held 2 p.m. Oct. 12 in the Liberty Community Church with the Rev. Richard Freeman officiating. Burial was in the Liberty Cemetery.

Survivors are his wife, Mrs. Willie Lantrip of Lake Charles; two sons, W. W. Lantrip Jr. of Lake Charles and Bob T. Lantrip of Houston; three daughters, Mrs. Paul Miller of Lake Charles, Mrs. Homer Plentl of Killeen and Mrs. Tom Burke of Tulsa, Okla.; one brother, Henry Lantrip of Vinton, La.; three sisters, Mrs. M. M. Reese of Cotulla, Mrs. Sam Nicholson of Paris and Mrs. Robert Jacobs of Yorktown; 19 grandchildren and 7 great grandchildren.

periodic bloodmobile program.

"This is net gain of 251 pints of blood going to residents of this area without direct replacement," he pointed out. "If these 251 pints of blood had to have been purchased at a cost of \$25 to \$40 a pint, it would have cost residents of this area almost \$9,000 for the blood."

Bloodmobile Unit

Due Here Wednesday

The Central Texas Regional Bloodmobile will make its regularly scheduled visit to Cameron Wednesday, October 27.

Donations of blood will be taken at the Methodist Fellowship Hall from 12 noon until 6 p.m.

Goal for this visit is 71 pints according to Red Cross officials.

Donors must be between the ages of 18 - 59, weigh at least 110 pounds and there must be at least 8 weeks between any two donations. Other information concerning recent illnesses of prospective donors will be available at the Bloodmobile center.

Few Takers Here For Questioned Poll Tax

Poll taxes are on sale in the Milam County Courthouse, but there are few takers because of legal questions raised by the Federal Government.

Valter White, county tax assessor-collector, said he recommended waiting for a decision on whether the poll tax would be allowed next year. He added that at present there was no way to refund money on poll taxes if they are found illegal by the courts.

White said that poll taxes could be purchased as late as Jan. 31, 1966.

KC's Recognize

25 Year Members

The Cameron Knights of Columbus, Council 2338, honored members active in the organization for 25 years or more at their meeting last Thursday evening.

Recognized for their service over the past 25 years or more were: J. C. Andres, Willie Anderle, Edmond Boedeker, Emil Boedeker, Paul Dillon, Rev. J. T. Geiser, Emil Hollas, John Jistel, August Kunz, Richard Jistel, August Helpert, Joseph Marak, B. J. Matecha, William J. Michalka, Jerry Mikula, Rev. Steve Montenegro, Willie Moraw, J. T. Parma, Stephen Polzer, Bill Richter, John Schigut, Frank Sukup, Dr. A. Urban, Frank Winkler and R. A. Michalka.

Special recognition was given Joseph Marak and J. T. Parma who have each been members for 47 years.

Hope Lutherans Cite 75th Year

Hope Lutheran Church of Buckholts will observe the 75th anniversary of the Church founding with special morning and evening services and an evening meal Sunday, October 24.

Dr. V. A. Mohr, president of the Southern District, will deliver the morning sermon at 10:15 a.m. The evening service at 7 p.m. will be a special program giving the church history and greetings by former pastors. Guest speaker will be Mr. Hugo Horstmann, superintendent of Texas Pythian Home, Weatherford, a former Buckholts resident.

Among the highlights of the church history are two members who entered the ministry, both sons of Rev. A. E. Flathmann, who served the church from 1933 until 1945. Rev. A. E. Flathmann Jr. is serving as a missionary in New Guinea and Rev. Henry Flathmann is in Shreveport, La. The first ordination held in the church was on June 20, this year, when the present pastor, Glen E. Moehring, was ordained and installed.

The Church has been served by 14 pastors. The Rev. Schroeder a missionary from Germany, was the first pastor. The second pastor, Rev. H. F. Daude, who came from Killeen, had the longest pastorate serving from 1891 until he retired in 1922.

The present church was built in 1935. A new parsonage is now under construction.

Present Church officers are: Kenneth Springer, Sunday School Superintendent; Larry Jungmann, Luther League President; Allen Barkmeyer, Jr., League President; Mrs. Alvin Fuchs, chairman, American Lutheran Church Women; Mrs. William Kelm and Mrs. Ruth Schneider, organists. Church Council members are: Gene Friemel, chairman, Ben Hardy Bailey, secretary, Stanley Glaser, treasurer, W. B. June Jr., Calvin Rachui and Allen Mertz.

Members of the Church will bring a basket lunch for themselves and guests to be served for the evening meal at 5 p.m. Sunday.

Jiste's Honored On 30th Anniversary

Mr. and Mrs. Hubert Jiste were recently surprised with a barbecue dinner in honor of their 30th wedding anniversary. The celebration was held at the home of Mr. and Mrs. Johnnie Ray Morak in

Cameron. Mrs. Joe Hollas, Miss Elizabeth J. Jiste, Rev. John T. Geiser, Rev. Paul McCallum, Father Murphy and the children of Mr. and Mrs. Hubert Jiste attended the dinner. Refreshments were served to the friends and relatives who visited during the evening. Approximately 50 guests attended the celebration.

Mr. and Mrs. H. Herman Ramke of Port Neches, Texas, announce the engagement of their daughter, Miss Anna Marie, to Mr. John S. B. Latour of New Orleans, La. Miss Ramke is a graduate of the University of Southwestern Louisiana, and has been employed as Milam County Home Demonstration Agent the past two years. Mr. Latour is also a graduate of U. S. L. and is employed as mechanical engineer for Boeing Aeronautics in New Orleans. The wedding will take place December 26 at the First Methodist Church in Cameron.

Mr. and Mrs. J. D. Moore announce the approaching marriage of their daughter Darlene to Mr. David Martel Crisp, son of Mrs. T. M. Crisp and the late Mr. Crisp of Houston. A November 7 wedding is planned.

Schneider - Hollas Wedding Plans Told

Mr. and Mrs. Fritz W. Schneider announce the approaching marriage of their daughter, Sharon Kay, to Mr. Kenneth Joseph Hollas, son of Mrs. Hugo Hollas and the late Mr. Hollas of Cameron.

Miss Schneider graduated from Yoe High School in 1961 and is a 1963 graduate of Temple Junior College. She is employed in Temple.

Mr. Hollas is also a Yoe High School graduate and graduated from Sam Houston State College in Huntsville. The wedding is planned for November at St. Monica's Catholic Church, Cameron.

Mrs. J. Hays Hosts UDC Oct. Meeting

The Cameron Chapter of the United Daughters of the Confederacy met for their October meeting in the home of Mrs. John Hays.

Mrs. J. T. McCrory presented a program on Confederate soldiers. During the business meeting the club members discussed the General UDC Convention to be held at the Rice Hotel in Houston. Mrs. Crump told the club about scholarships available to students in local high schools who have done outstanding work in southern history. This information will be presented to the schools by Mrs. Franklin Dusek. The chapter also voted to send donations to the Gen. Thomas J. Jackson, Texas division fund.

Refreshments of salad plates and pecan tarts with tea were served to members. A centerpiece of coral wreath and autumn berries decorated the serving table. Mrs. Hays was assisted by Mrs. Dusek and Mrs. McCrory.

Mrs. Algene Charles Herms

Ceremony Unites Ripkoski - Herms

Baskets of white gladioli decorated St. Monica's Catholic Church Saturday morning for the Nuptial Mass uniting Miss Anna Lucille Ripkoski and Mr. Algene Charles Herms.

Parents of the couple are Mr. and Mrs. H. W. Ripkoski of Cameron and Mr. and Mrs. Albert Herms of Austin. Rev. John Geiser performed the double ring ceremony and traditional wedding music was presented by Mrs. Frances Zolt and Mr. John Schigut.

Given in marriage by her father, the bride wore a formal gown of silk peau de soie designed with a scoop neckline and a high-rise bodice of alencon lace. The controlled skirt featured lace panels and swept to a chapel train. Her fingertip veil of illusion was held by a queen's crown of crystals and pearls. She carried a bouquet of white carnations centered with a yellow throat orchid.

The bride wore a single strand of pearls, a gift of the groom, and carried an heirloom handkerchief which had belonged to her great grandmother.

Miss Dorene Hollas of Austin was maid of honor. Bridesmaids were Mrs. David Atkinson of Austin and Miss Irene Mayer of Cameron. Judy Lynn Phillips of Hempstead was a junior bridesmaid and Nicky Lynch of Houston was flower girl.

The bride's attendants wore street-length dresses of red velvet with matching bow headpiece. They carried red muffs accented with corsages of peppermint-striped carnations.

3 Arts Club Has 'Artist' Theme For October Meeting

One of the newer art forms, the collage, was introduced to members of the Three Arts Club at their October meeting held last Thursday afternoon at the home of Mrs. Frank Luecke.

Club members and guests, Mrs. John Davis and Mrs. D. R. Dodson, drew colorful bags containing scraps of paper and miscellaneous material which they each used to make a collage during the program.

Decorations carried out the art theme with paintings displayed on floor and table easels. A Mexican clay pitcher in the living room held paint brushes and an informal arrangement of green zinnias.

Methodist Circles Study Poverty War At Oct. Meetings

The Horning Circle met October 14 at Mrs. Richard Freeman's with 7 present. The program was

given by Mrs. Lane Horstmann. Artist's fare of fruit and cheese spreads were served buffet style in the dining room. Candles in wooden holders and a colorful arrangement of collage style paper flowers in a pottery bowl decorated the table. Appointments were of pewter, wood and glass.

Co-hostesses for the meeting were Mrs. John Henderson Jr., Mrs. Robert Ellett and Mrs. Luecke.

Mrs. Don Humble was hostess for the Evans Circle which met October 18 with 8 attending. Mrs. Robert Clark presented the program.

The Rawls Circle met with Misses Lena and Mary Yoe. Mrs. Rawls was program leader. Mrs. W. O. Triggs gave the devotional. Reports on the Poverty Program were presented by Mrs. Alvin Roberts and Mrs. John Howard. Ten members were present.

Hostess for the Terry Circle October 18 was Mrs. Richard Freeman. Program leader was Mrs. J. Thomas assisted by Mrs. Bill Burns, Mrs. Roy Griffith and Mrs. Nancy Smith. Twelve were present.

The Henderson Circle met October 19 with Mrs. Herman Brown. There were 13 present, including Dr. Brown, who gave the program.

Alcoa Award Candidates Meet Selection Board

Twenty-one students from 11 high schools of the area have applied this year for the 1965-66 Alcoa Foundation Scholarship for graduating sons and daughters of employees at Alcoa's Rockdale Works.

Applicants will meet with the Chairman of the Selection Board, Milam County Superintendent of Schools H. D. Maxwell, Tuesday evening, Oct. 26, to fill out applications for their college entrance examination board tests. The meeting will be at the cafeteria at the Rockdale Works.

On Dec. 4, applicants will take their tests at the University of Texas, and in March the final selection will be made.

Maxwell pointed out that the Selection Board this year will declare finalists based on college entrance examination test scores and high school grades. The finalists and their parents will be guests of Alcoa at a dinner meeting in March, at which time the Board will select and announce the winner of the \$3,000 scholarship.

Selection Board members this year are school superintendents Jim Moorman, Rockdale; T. H. Johnson, Taylor; R. L. Proter, Milam; A. P. Kleinschmidt, Lexington; Frank Kemble, Thorndale; and D. R. Dodson, Cameron.

Rate Drop Proposed

By Insurance Board

Good news is in store for Texas employers if workmen's compensation rates proposed by rate technicians of the State Board of Insurance are adopted.

Annual savings of 4 1/2 million are reflected in the suggested rates.

Board Chairman William Hurst McLean disclosed today that his staff is recommending revision of workmen's compensation rates that will result in an average reduction of 2 1/2 per cent. While rates for some of the 700 classifications will go up and others will go down, the overall effect would be an average decrease.

A NOBLE SENTENCE

"Judge, this boy, who is a son of my brother, wishes to enter a plea of guilty. Guilty of being envious of your position and to state that he aspires to some day succeeding you as the judge of this court."

"Then, as judge of this court, I sentence you to life - long attendance at church. For to be a worthy judge, my boy, you must not only be versed in the law but also be a passionate searcher for the truth. You must be a person of unimpeachable integrity, and above all, be one who can and will temper justice with mercy."

"The Bible records the lives of some of the WORLD'S GREATEST JUDGES. Attend church, where you may be aided in studying their records and in being an example, in your time, of their lives. Then you too will be a great judge."

Soil Fertility Meeting Held

By J. D. Moore

The soil fertility meeting held last Monday night at the Methodist Fellowship Hall in Cameron was attended by some 75 farmers, fertilizer dealers and industry representatives. Mr. John Box, agricultural agent from TAMU, pointed out the need not only for soil testing but accurate information to accompany the soil test as a guide for making recommendations.

Soil testing boxes and information sheets were made available at the meeting. Additional boxes and information sheets are available at the County Agent's Office or from your fertilizer dealer.

Mr. Henry Ivey, chairman of the Milam County Technical Action Panel, explained the purpose of the soil fertility program and set a goal of 500 soil samples for Milam County. Mr. Ivey agreed to carry the soil samples to the lab free of charge to the farmers. Those wanting this service should leave their soil samples at the F.H.A. office in Cameron.

Local fertilizer dealers sponsoring the meeting were: Cameron

Seed Co., G. & R. Fertilizer, Milam Grain Co., Eastern Seed Co. and Mack's Liquid Fertilizer.

LIVESTOCK MEETINGS

Three meetings to discuss cattle problems will be held on the nights of November 9, 16 and 23 in Cameron. Mr. L. A. Maddox, Jr. will discuss cow-calf size, records, etc. on the first night. Mr. U. D. Thompson will discuss cattle nutrition at the second meeting and Mr. James Denton, Farm Management specialist, will discuss economic cost analysis of beef cattle operations at the third meeting.

These meetings were planned by a committee composed of Dr. Lyle McDermott, Cameron, Dr. John Parmelee, Rockdale, Dan McDaniel, Cameron, John Snell, Cameron, James Gibson, Liberty Hill Community, U. D. Thompson, Extension Beef Cattle Specialist and J. D. Moore and Ronald Bailey, Milam County Agents.

Franklin Drops Rosebud 20-12 In District Play

Rosebud took an early lead against Franklin Friday night, but lost the game 20-12 when Franklin scored two touchdowns in the last period.

The District 22-A teams met at the Franklin Field. Rosebud was two-year defending district champion.

Early in the first quarter Rosebud fullback Joe Marek ran a wayward Franklin pass 30 yards for the first touchdown. Beisen ran good for the extra points.

Franklin wingback William Wy-mola crossed the goal on a 15 yard pass from quarterback David Smith in the second quarter. Smith kicked the extra point. Later in the second quarter Rosebud's Marek ran the Franklin kickoff back 80 yards for a TD. Franklin stopped Beisen short on the extra points try.

Neither team reached the goal line in the third quarter.

In the fourth period Franklin's Smith scored from five yards out on a quarterback keeper to push his team ahead. The extra point was no good. The game was sealed when Smith hit Lancecam for a 20 yard Franklin touchdown near the end of the game. Smith tallied the last point for the evening when he kicked the extra point.

PARDON MY HAND — End Newton Burnett (with ball) appears to be sprouting a third arm in this bit of Friday night action against Hearne, defeated by the Yoemen, 49-15. Halfback James Hoskins (40)

blocks a Hearne tackler as two other Eagles (67) and (31) move toward Burnett. The play stopped just about here.

Yoemen Beat Hearne, 49-15 In District 17-AA Opener

By Eddie Hantsman

The Cameron Yoemen beat the Hearne Eagles last Friday night at Yoe Field, 49-15. Cameron ran its string of undefeated games to seven and remained ranked fourth in class AA ratings. Hearne has a pre-district record of 2-4 and 6-1 in District 17AA.

The Eagles won the toss and elected to receive, but the stubborn Yoe defense held them on their first series of downs. After the Hearne punt, Cameron started a drive on their own 2-yard line.

The first play netted 6 yards.

Halfback Don Manley got a quick pick-up of 30 yards on the second play. Mike "Bull" McDaniel went up the middle for 2 yards and on the next play McDaniel rambled for 16. Senior Mack McKinney got 9 yards. Cameron had a first down on the Hearne 12. Three plays later halfback Forrest Green went off right tackle for the first Yoe touchdown, to cap a 72 yard drive. Jack McKinney kicked the first of seven straight extra points and Cameron led 7-0.

PASS FOR 33

Hearne went to work on their own 34-yard line after the kick-off return by Pete Martin. Quarterback Frank Martinez passed to Ronny Shaw for 33 yards. Cameron's defense then threw Hearne

a loss of 11 yards. Back Bobby Cruise recovered 13 yards. Frank Martinez then passed to Ronny Shaw for the first Hearne touchdown. After a 2-point conversion the Eagles led 8-7.

James Hoskins returned the kickoff to the 25 yard line when Frank Martinez suffered a broken ankle. McDaniel went for a 23-yard gain, then Manley for 4 yards. McKinney went for 11 yards. McDaniel for 1 yard.

After halfback Doug McFarland went for 6, Cameron was on the Hearne 2-yard line. McDaniel got the TD from 2 yards out. Jack McKinney kicked the extra point and the Yoemen led 14-8.

Hearne picked up a first down after the kickoff and reserve quarterback Joe Wilson passed to Pete Martin for 23 yards and was pulled down by McDaniel.

Five plays later Yoe was penalized half the distance to the goal and Hearne was on the Cameron 9-yard line. On the fourth down Joe Wilson passed to Ronny Shaw for a touchdown and Bill Sweet kicked the extra point. Hearne led 15-14.

Yoe started on the 31 yard line

and on third down McKinney went back to pass, found all receivers covered, and ran for 30 yards. Cameron was on the 35 and knocking on the touchdown door again. The Eagle center was injured, but X-rays later showed that it was a minor shoulder injury. With 3:37 left in the half Doug McFarland went from 25 yards out and capped a 69-yard drive. McKinney made the PAT and Cameron led 21-15 at halftime.

MC KINNEY GOES 53

The Yoemen got the second half kickoff and started rolling again. McDaniel got 6 yards. Don Manley went for 2, then McKinney broke the Hearne defense for a 53-yard touchdown run with 10:01 left in the third quarter. Cameron then led 28-15.

Hearne came back determined to move, but McFarland intercepted a Frank Martinez pass and ran it back 38 yards. Cameron started on the Hearne 22. Manley got 11 yards. McDaniel 6 yards and James Dehnalik 1. Then McDaniel went in for the TD from the 4. Jack McKinney kicked the PAT and Yoe led 35-15.

The Eagles began to tire and punted after failing to make a first down. After punt, Cameron started on the Hearne 44. From there, McKinney passed to Hoskins and was stopped on the Yoe 33. With this the third quarter ended with the Yoemen ahead, 35-15.

When play resumed, McFarland got 4 yards. McKinney 8 yards. A long McKinney pass was intercepted by Pete Martin in the Eagle end zone. Hearne only found 7 yards and on fourth down punted. The Yoemen took charge but were penalized 15 yards. With 6:05 left in the game, McDaniel went off right tackle for another TD. McKinney kicked the extra point and the Yoemen led, 42-15.

RESERVES SCORE

Joe Wilson ran the kickoff back 40 yards and Hearne was held to

7 yards and punted again. The reserves entered the lineup to finish the game. Don Mitchell at quarterback smoothly engineered a 74-yard drive with Leo Michalka dashing the final 21 yards for the last touchdown with 2:33 remaining.

Cameron led 49-15. After four Hearne passes failed to net a first down, Cameron took charge on their 33. That ended the 17-AA opener with the Yoemen winning 49-15.

Eagles Favored In Friday Clash With No. Zulch

Milano Eagles will meet North Zulch in District play at Milano Friday night following a strong victory in their district 11-B opener against Coolidge last week.

Milano scored 48 points against a North Zulch 0 when the teams met at North Zulch September 24. That game was halted 3 minutes in the third quarter because of the Eagles' strong lead.

Milano rolled up 238 yards rushing and 257 yards passing to tromp Coolidge 66-20 at Coolidge last week. Coolidge tallied 55 yards rushing and 187 passing.

Quarterback Allen Woods had a hand in six of Milano's touchdowns Friday. He passed 47 and 18 yards to Larry Wadlington, 60 yards to George Beneston, 28 yards to James Hutto. His other touchdowns came on passes of 72 yards from Will Jones, 21 yards from Robert Silva, and a 12 yard run.

A four yard pass from Silva to Alvin Fail and a 20 yard pass to Will Jones accounted for the other Eagle scores.

Grover Morgan made five extra-point kicks adding 10 points to the Milano total.

Wadlington led Milano's defense.

Yoemen To Visit Navasota For 17-AA Contest Friday

Cameron, Texas' fourth-ranked AA squad for the second straight week, Friday heads for Navasota, where the Rattlers coil after an open date and a 1-5 record to inspire an upset. Gametime is 7:30 p.m.

The Yoemen are in good playing shape following the 49-15 win over Hearne's Eagles, also pre-season co-favorites to win the 17AA title.

Doug McFarland, back in the lineup against Hearne after several weeks recovery from a kidney injury, is in fine shape. Coach George Kirk reports.

And no injuries of note occurred to Yoemen last Friday while Hearne lost quarterback Frank Martinez with an ankle fracture and Mike Griffin who suffered a bruised shoulder.

The Rattlers field a good-sized line and average weight backfield. **MC GINTY STANDOUT**

Scouting reports indicate that Navasota's lefthalf Kenny McGinty, 33, at 170 pounds and quarterback Clyde Pederson, 16, at 151 are the offensive threats.

Rattler tackle Don Dixon, 77, at 190 is a leading defensive man, coaches report. The starting Rattler line weighs about 167 pounds,

about the average weight of Yoe forwards.

The Yoe lineup will be much the same as the defense and offense units against Hearne.

Notes on the Yoe locker room wall remind Yoe gridders that Navasota runs from a wing right or wing left offense and passes from a wing right or left split alignment.

Pederson is rated as effective as Hearne's Martinez in passing and Navasota backs have good speed.

Coach Kirk warns that Navasota will have made some changes both in defense and offense with a week off to await the Yoemen.

As one sign said, "The Rattlers are tough in their snake pit," meaning Navasota Field.

Co-captains James Hosch and Mack McKinney are also in fine shape for the Navasota game. They had both returned to the Hearne game after suffering injuries in earlier practices.

SAME LINEUP

The Yoe backfield will see Mc-

Farland, Don Manley, James Hoskins and Forrest Green alternating at halfbacks and fullback Bull McDaniel and quarterback McKinney in the offense.

Offensive linemen again will be James Vogelsang and Newton Burnett at ends, Hosch and Dennis Rose at tackles, Joe Paul Mueck and Frank Mikulec at guards and Eugene Wallace at center.

Yoe defense will elude familiar names like McKinney at safety, Burnett and Bill Goeke at halfback, McDaniel, Ray Urban, Wayne Kirk and Manley at line-backer, and Hosch, Mikulec, Mueck and Rose at forward posts.

The Navasota lineup is:

James Gibson, 150, and John Hicks, 145, ends; Don Dixon, 190, and Bennie Hermann, 180, tackles; Marvin Weaks, 161, and Larry Eichenhorst, 171, at guards; Glen Fuqua, 165, center; and Pederson quarterback, McGinty, 170, and Bob Whitten, 149, at halfback and Pete Abad, 151, at fullback.

Caldwell Hornets Travel To Hearne In District Play

The Caldwell Hornets travel to Hearne this week to face a strong Eagle squad in further district play after a thorough stomping from Rockdale last week. The Rockdale Tigers stung the Hornets to the tune of 27-0 to ruin the Hornet homecoming.

The Tigers got off to a flying start when halfback A. D. Burton returned the opening kickoff 62 yards for a TD with Mike Speer adding the PAT.

In the second quarter Stanley Bower did the scoring honors after the Tigers moved 45 yards in nine plays. The remainder of the second half was scoreless leaving the score at the half 13-0.

The only other score of the game came in the third quarter when Burton again scored on a long run. His TD was topped by a two-point conversion pass from Bower to Glen Chmelar.

Rockdale now has a 4-3 record for the season, while Caldwell still lacks a win after seven games. The Tigers plan to take this week off to rest up for the Hearne Eagles who will travel to Rockdale next week.

New Generation...

TRINIDAD UNIT NO. 6

Each new generation requires more and more electricity. To meet these increasing needs, Texas Power & Light Company is constantly planning and making improvements and additions to its facilities for producing and supplying electric power.

For example, TP&L recently completed a new 240,000-kilowatt generating unit at its Trinidad Steam Electric Station in Henderson County. A new unit at the Stryker Creek Steam Electric Station, in East Texas, will add 500,000 kilowatts in 1966 to meet customer needs. An additional new unit is also under construction at the Valley Steam Electric Station in North Texas.

TP&L invested about \$55 million in new and improved facilities in 1964. Approximately \$100 million more will be spent for construction of new generating units and other facilities during the 1965-66 period.

You can be sure that TP&L and the other investor-owned electric companies will continue... through use of private capital... to provide ample, low-cost, dependable electric service in the years ahead.

Freedom... Castro Style...

Fidel Castro's policy of allowing dissatisfied Cubans to leave the country is somewhat like the policy of East Germany prior to the Berlin Wall.

Castro is allowing dissidents, mostly middle-class property owners and middle-aged Cubans who might oppose him, to go to the United States.

Many have been receiving some payment for property confiscated from them, but now the payments stop. Apparently, it has been enough years for Castro to find some replacement from his "new order" to attempt new management of the country.

East Germany built the Wall when the exodus from the Communist side reduced the able, educated classes to insufficient numbers. Since the Wall went up, there have been but a few going out, and considerably more rebuilding of East Berlin.

Castro in a sense has lowered the barriers to release people whom he disenfranchised of property and authority. He needs them no longer. One view has

it that the United States is the loser. The Christian Science Monitor says about a half million Cuban refugees due in the U. S., most of whom want to go back. Will they ever?

Che Guevara, the professional revolutionary, who popped up early in the Castro government, has also left Cuba. And his exit suggests the revolution is complete.

To complete the parallel, East Germany was, prior to the Wall, getting income from tens of thousands working in West Berlin. The crossover was allowed until the professional and technical people departed in great numbers. It became more important to keep their talents for building a new East Berlin than allowing their freedom to work across the line.

So it is with Cuba. Castro has taken all he can from these people who are leaving, and perhaps anticipating dis-sidence, he strips them of even personal valuables and lets them go.

More Incredible Surgery....

Incredible advances in surgery technique continue.

The latest is removing a dead man's heart, reviving and keeping it beating for six hours outside the body.

It perhaps foretells some means for a "heart bank" like the blood banks, eye banks and other day-to-day storage of human anatomy for those who need them. At least it suggests the possibility of a heart transfer in some years to come.

Surgeons are replacing severed arms, replacing parts of eyes and inner ears and transplanting kidneys, the latter still in its advanced experimental stage. Medicine still has the problem of learn-

ing how the individual's body chemistry can be adapted to such transplants without fatality sometime after the transfer.

About a hundred years ago, surgeons still were operating without antiseptics. But in that hundred years, fantastic progress has been made, well in keeping with the science technology aiming for interplanetary travel.

This case of incredible heart surgery could mean ultimate savings of tens of thousands of lives annually in this country among heart victims, accident victims and others somehow suffering terminal heart damage.

What an age we live in!

Governor Expects Special Session?

By Vern Sanford

AUSTIN—Gov. John Connally's sudden cancellation of plans to go to Japan and Viet Nam this week added a note of tension to the Austin scene.

Connally's statement indicates that he sees the possibility of a special session of the Legislature on congressional legislative redistricting or voter registration.

"We are awaiting federal court decisions on the poll tax, congressional redistricting and House redistricting, any one of which could cause action on my part within the next few weeks," Connally stated.

If federal judges throw out either congressional or house reapportionment acts of the 59th Legislature — without specifically allowing additional time for redrawing lines in regular session—Connally may have to call a hurry-up session before the early 1966 filing deadline.

Should the federal courts invalidate the poll tax as a voting requirement, Texas could be left without a voter registration procedure. This, too, could make a special session necessary on short notice.

Hearing on the attorney general's suit attacking the poll tax is not until mid-November. Judges already have heard arguments on redistricting challenges, however, and rulings could come at any time.

Connally also made clear he fears defeat of key constitutional amendment proposals in the November 2 election and plans an all-out personal campaign on behalf of four-year-terms for state-wide officials.

ENROLLMENTS UP

More students than ever before have enrolled in Texas colleges, and most institutions are bulging at the seams.

Average enrollment increase among the 22 state-supported colleges and universities in the state is 13.8 per cent. Stephen F. Austin College in Nacogdoches had the largest increase at 34.9 per cent. Arlington State College's 2.9 per cent was the smallest.

University of Texas' population increased 2,229 this year, representing a percentage increase of only 9.3. This is 4.3 per cent below the state average.

Average increase among the 32 public junior colleges reached 26.9 per cent. Cisco Junior College's 59.8 per cent increase leads all others. Smallest increase was the 2.1 per cent recorded by Laredo Junior College.

Largest recorded increase among independent senior colleges and universities was the 30.9 per cent at Bishop College, Dallas. Sherman's Austin College enrollment fell off 2.5 per cent.

AG OPINIONS

Atty. Gen. Waggoner Carr has ruled the Civil Rights Act of 1964 isn't applicable to rules and regulations of Texas A&M University regarding discrimination by sex.

Also, Carr said the Board of Directors of the school has the right to issue rules and regulations making the University either an all male school or coeducational.

Carr said the present policy of the Board to exclude women because the applicants aren't wives or daughters of staff members or students, or widows or daughters of deceased staff members, is discriminatory and constitutes unreasonable class distinction.

Rulings were in response to a request by H. C. Heldenfels, president of the Board of the Texas A&M University system.

In another opinion, Carr ruled that the issuance of a state warrant for the payment of an hon-

orarium to a United States employee delivering a commencement address at the University of Houston would violate the state constitution.

OIL PRODUCTION INCREASED
Texas Railroad Commission has cranked the November oil production allowable up to 30 per cent of potential. It's a high mark for the year.

Commission, recognizing recommendations of 10 out of 13 oil purchasers, set production for next month at 2,976,361 barrels daily. This compares with 2,944,109 barrels for October under 28.3 per cent formula and 2,884,856 for November, 1964, under 28.4 per cent factor.

COURTS SPEAK

State Supreme Court heard rival arguments as to whether Rice University alumni have a right to appeal the lower courts' decision that permitted Rice to permit Negro students and charge tuition.

Rice trustees filed action to allow integration and eliminate tuition restrictions. This despite trust

fund restrictions imposed by founder William Marsh Rice in 1891. Trustees now maintain that Atty. Gen. Waggoner Carr is the only one who could have appealed the decision favoring their action. Carr left the appeal up to the alumni group.

High court held in a Waco case that cities are liable for damages where property owners are denied reasonable access to their property by highway construction.

In a companion case, however, court denied damages to another firm because it had access to its property by another street.

COMMITTEE APPOINTMENTS

House Speaker Ben Barnes has appointed Rep. Vernon J. Stewart of Wichita Falls chairman of the House Interim Committee on Juvenile Crime.

Named to serve with him are representatives W. T. Dungan of McKinney, John Ray Harrison of Pasadena, Alonzo W. Jamison Jr. of Denton and George H. Richards of Huntsville.

Committee is charged with the responsibility of studying the growing juvenile crime problem in the state with particular emphasis on developing a program for its prevention.

Group will make recommendations to the next Legislature on legislation needed to combat the problem and implement the program.

NURSING COMMITTEE WORKS

A five-member Senate committee has held the first in a series of hearings to determine why Texas faces an acute shortage of nurses and what can be done about it.

OLD PHILOSOPHER

Philosopher Reports On A Different Angle On Who-Discovered-America Controversy

Dear editor:

According to three different newspapers which turned up on the same day on this Johnson grass farm last week, a record so far, there is now some doubt whether Columbus was the first man to discover America.

As I understand it, some professor at Yale University have come up with a document showing two other fellows discovered America and drew a map of it years before Columbus came over. This has thrown the historians into a tailspin and has made a lot of Italians mad.

I was talking to a friend of mine about this who has a college degree and he said he had been thinking it over and had come to the conclusion it's possible the Yale professors have been the victim of a fraud.

His theory is that the map is fictitious, that it was drawn on worm-eaten paper and planted by present-day descendants of Columbus who had just as soon he hadn't done it.

"Discovering America" seemed

like a fine thing at the time," he said he could hear his descendants saying, "but now... well, we just don't know. Let's see if we can't shift the blame to Lief Erickson or somebody else for awhile."

I don't know that I go along with this theory, but you reckon if the Supreme Court hears about the map and believes it it'll throw out all the examination papers of everybody who went to school and passed American History by answering Columbus to the question, Who discovered America? Why I'll bet even everybody on the Yale faculty would have to take first-grade history over again, or lose his teaching certificate.

I hadn't thought the Supreme Court could top some of its decisions, but when the day comes it rules everybody in the United States is uneducated. I'll take my hat off to it, if the weather is pleasant.

Yours faithfully,
J. A.

THE FAMILY LAWYER

To Meet Crime's Challenge

Viewers-with-alarm have always found much to criticize in our system of criminal justice. How outrageous it is when criminals escape the punishment they deserve! How monstrous it is when an innocent man is convicted by mistake!

But such criticism often skips blithely over the toughest question of all: which man is guilty, which innocent? Everyone wants to be hard on the guilty and easy on the innocent. But, of necessity, we must start the law's wheels turning before we really know which one we are dealing with.

For example: Should we strictly limit the right of policemen to search a private home? Should we keep questionable evidence out of the courtroom? Such rules will protect many an honest citizen from unjust harassment. Yet, the very same rules will also protect many a hardened criminal from being caught.

This basic dilemma, of having to deal with persons whose guilt or innocence is not yet settled, has always bedeviled the administration of criminal justice. And in recent years, two major developments have added fresh stress and strain to the whole problem.

1) Important methods of law enforcement, long used in many sections of the country, have been held unconstitutional by the United States Supreme Court. Landmark decisions have left confusion and disarray in their wake.

2) Crime—brutal, sinister, sophisticated—has reached a record high.

Thus it has become urgent public business to both clarify and modernize our entire apparatus of criminal justice. To that end, a massive, unprecedented project is now under way.

Eighty of the nation's most eminent experts, assembled by the American Bar Association, are drawing up detailed guidelines—a set of national minimum stan-

dards—for lawyers and judges, prosecutors and police.

These guidelines, to cover everything from original arrest to final plea, should provide us with a system of criminal procedure that is both fair and effective. Such a system is, in itself, one of the mightiest weapons in the war on crime.

It is of course fitting that we should view with alarm any codding of criminals or oppression of innocents. But with alarm only, not with despair. Solid progress is afoot.

A public service feature of the American Bar Association and the State Bar of Texas. Written by Will Bernard.

SELF ANALYSIS QUIZ

How Mature Are You?

By Jane Sherrod Singer

Emotional and mental maturity have little to do with the number of years a person has been alive. Failures in professions, in jobs, in education and in marriage stem from childish attitudes and behavior. Referring to the failures in marriage, Dr. Paul Popenoe says, "I would say it is because the people who go into it are merely children; trying to make a child's game out of the most serious of adult responsibilities."

ANALYSIS:
1 to 4 correct answers: You have a great deal of growing up to do. It might be wise for you to go to others for help.
5 to 8 correct answers: You are still acting in a childish way. This causes you a great many heartaches which can be corrected if you take some time to try.
9 to 12 correct answers: You are mature one minute and a youngster the next. This is confusing to your friends who never know what to expect next.
13 to 14 correct answers: You are well on the road to maturity. You are to be congratulated.
15 to 16 correct answers: EXCELLENT! You are a truly mature person, Allen Drury, author of the bestseller ADVICE AND CONSENT, said, "maturity is acceptance without dismay of the life you live."

Now! New Chevelle SUPER SPORT 396

New Chevelle SS 396 Sport Coupe—
with clean-sculpted all-new Body by Fisher.

by Chevrolet

Two new Super Sport beauties for '66—a hardtop and convertible—propelled by nothing less than the new Turbo-Jet 396 V8.

This remarkably efficient power plant, with aircraft-type valves, deep-breathing ports and other design advances, develops 325 hp in the standard version. And you're welcome to order more—in a 360-hp version—if you're so inclined.

Both Chevelle SS 396 models ride on a special flat-cornering chassis. A fully synchronized 3-speed transmission with floor-mounted stick shift is standard. Or you can order a 4-speed or Powerglide—also Strato-bucket front seats, center console and full SS instrumentation.

Your Chevrolet dealer's is the place to see how all this feels from behind the wheel. He's a great believer in letting the customers handle the merchandise.

PRESERVING LEATHER

Here's a modern version of an old Indian formula for preserving leather hunting boots. Mix a half pint of carbon tetrachloride with five spoonfuls of deer tallow and blend until mixture is smooth. Rub down leather goods with the liquid. Carbon-tet allows tallow to flow and be absorbed. Deer tallow keeps leather soft and pliable.

FOOD IS A BARGAIN!

We Americans today enjoy a higher standard of eating than any people in history—and it costs us a smaller share of our income than ever (only 19% today, compared to 26% in 1947-49). Hats off to the folks . . . farmers, food processors, food distributors, and food retailers . . . who make this all possible.
